

Sunshine Canyon Landfill Expresses Thanks to Regulatory Partners

November 22, 2017

SYLMAR, Calif. (Nov. 22, 2017) – As the Thanksgiving holiday approaches, the Sunshine Canyon Landfill team wishes to express its thanks to our regulatory partners for their collaborative approach to site operations throughout the year. The Landfill team works with multiple agencies on a continual basis gathering and analyzing site data and implementing on-site enhancement plans. These partnerships are an important factor in ensuring the site is managed in an environmentally responsible manner, and we are grateful for their cooperation.

As a good neighbor, we remain committed to our community, and we wish you and yours a happy and healthy Thanksgiving. To learn more about Sunshine Canyon, visit us online at <http://sunshinecanyonlandfill.com/>.
