

## Gas Well Installation Project on Track

April 27, 2018

**SYLMAR, Calif. (April 27, 2018)** – Throughout April, the Sunshine Canyon Landfill team made continued progress installing landfill gas wells as we work to optimize and expand our landfill gas system. As you will recall, our plan includes installation of 52 total wells by this summer. To date, we have installed 41 of these planned wells and are on track to complete the project on time. We will continue keeping you informed as we advance construction.
